

Message from the Commodore

Hello All,

As most of you know the past few months have been very busy for me, a new kidney and the related recovery. The kidney required that they reduce my immune system so that I would not reject my new kidney. During this time The Bridge and Board have stepped up to keep things running smoothly. I want to take this time to thank them all for all of their help and time. Without all their work we would not be where we are today.

Summer Cruise to the Chesapeake

We are currently planning to depart late May/early June and return after the Baltimore Fireworks. You can do it all or any part. The normal run is to depart the marina and anchor out at Myers Hole on the night before departure so that an early start can be had for Atlantic City and/or Cape May, depending on weather etc. The next stop will be the C & D Canal, then down the Chesapeake to Piney Narrows. We have for the past few years taken slips for the month and used this as our base for all travel.

Summer Picnic

On June 8th we will hold our annual Picnic at The Grove in Ocean Gate Yacht Basin. The event POC's are Bill and Pat Templeton. As always there will be plenty of food of all types. By Constitution elections are held at an Annual Meeting, usually at the Lobster Fest in September. Any member in good standing is eligible to hold office and any member in good standing can nominate. Nominations are to be made to the Secretary who will forward same to the chair of the nominating committee (immediate Past Commodore – Bill Templeton). By normal rotation there are three Board Member positions open this year. Please submit the name of your nominee to Tom Norman (huntingcreektom@gmail.com) prior to the Wine Tasting. A slate of candidates must be distributed three weeks before the Lobster Fest. The elections will be by ballot at this Annual Meeting.

July 4th Raft up on the Toms River

This has always been a great event and we anticipate our membership will get out on the water to see the fireworks.

Hope the above events peak your interest and get you out on the water for some great events and camaraderie.

As Always the Best for the Spring and Summer,

Charley Webb, Commodore
