Cedar Mar
Yacht Club

An informal boating club

"Lady L" cruising New York Harbor

"Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover."

H. Jackson Brown, Jr.

About Cedar Mar Yacht Club

Cedar Mar Yacht Club, founded in 1966, is an informal boating club quartered on Barnegat Bay. Our clubhouse is wherever we gather for our events, on the water, along its shore, local venues, or at a club member's home.

Our objectives are to promote seamanship, navigation and social activities for the membership. We offer a variety of boating and social events throughout the year. Our membership includes families as well as singles, with a wide range of ages represented. Members' boats come in all shapes and sizes, both power and sail, and are mostly centered on Barnegat Bay.

Cedar Mar Yacht Club opens up many fun and educational opportunities for members both on and off the water. Some of the events you can look forward to are: raft-ups, picnics, winter social, educational seminar, dinghy poker run, lobster fest, cruising trips, end of season dinner/dance and a holiday brunch. Recent cruises have been to Long Island Sound, Block Island and Martha's Vineyard and south to Atlantic City, Cape May and the Chesapeake Bay. Every few years a winter charter is scheduled to a warm destination, such as, the British Virgin Islands.

If you would like to get more enjoyment out of your boat, meet other boat enthusiasts and share boating experiences and knowledge, please contact us. As a prospective member there is no charge the first year, after that dues are \$35.00 a year per adult member. Visit our website (www.cedarmar.org) to learn more about our club and perks such as BoatUS Membership discount and our online store.
